Commercial
Vehicle was registered for business purposes.

First Owner
When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Ownership History
CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1994 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Rental

Vehicle was registered by a rental agency.

Stolen Vehicle

A vehicle is reported stolen when it is reported to a state DMV or an insurance company as missing. It is important to verify the status of a stolen vehicle with NICB before purchase to protect yourself. You could be charged with buying a stolen vehicle, especially if it appears that you may have had knowledge that the vehicle was stolen. You may also lose the vehicle without compensation for the purchase price. You can contact NICB to verify a vehicle's stolen status by calling 800-447-6282 x 2 or by completing the [NICB web form](#).

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
